The Honorable Tom Cole
Chair
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Construction of New Wastewater Treatment Facility project in Fiscal Year 2027. The entity to receive funding for this project is the Village of Albany located at 102 S Main Street, Albany, IL 61230. The funding will be used to construct a new wastewater facility. This project is an appropriate use of taxpayer dollars because it will replace failing infrastructure and incorporate updated process controls, automated monitoring, and safety systems that will improve operation efficiency, protect staff, and ensure consistent regulatory compliance.

This project has a Federal nexus as it is for the same purposes authorized in section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in the project, and neither does anyone in my immediate family.

Sincerely,

Eric Sorensen
Member of Congress
