The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Winnebago Construction of a New Well project in Fiscal Year 2027. The entity to receive funding for this project is Village of Winnebago located at 108 West Main Street, Winnebago, IL 61088. This funding would be used to construct a new well. This project is an appropriate use of taxpayer dollars because it will improve the Village's water distribution capabilities and eliminate any health and safety threats that could be posed to the Village's residents.

This project has a Federal nexus under the statutory authority found within Section 1452 of the Safe Drinking Water Act and it qualifies under the list of project options is found within 40 CFR 35.3520(b)(2)(i-vi) and the EPA's DWSRF Eligibility Handbook.

I certify that I have no financial interest in the project, and neither does anyone in my immediate family.

Sincerely,

Eric Sorensen
Member of Congress
