The Honorable Tom Cole
Chair
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Maquon Water Tower Repair project in Fiscal Year 2027. The entity to receive funding for this project is the Village of Maquon located at 111 West 4th St., Maquon, IL 61458. The funding would be used to repair a water tower. This project is an appropriate use of taxpayer dollars because it will provide the Village the ability to complete much-needed repairs to their tower, continue to provide safe drinking water to their residents, and focus on other issues that come to head.

The project has a federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in the project, and neither does anyone in my immediate family.

Sincerely,

Eric Sorensen
Member of Congress
