The Honorable Tom Cole
Chair
House Committee on Appropriations
Washington, DC 20515

The Honorable Rosa L. DeLauro
Ranking Member
House Committee on Appropriations
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of South Pekin Sanitary and Water Improvements project in Fiscal Year 2027. The entity to receive funding for this project is the Village of South Pekin located at 209 W. Main St, South Pekin, IL 61554. The funding would be used to update the Village's sanitary and wastewater system. This project is an appropriate use of taxpayer dollars because the sanitary and water improvements would improve the efficiency of the infrastructure and provide clean water to the communities and businesses within the region.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in the project, and neither does anyone in my immediate family.

Sincerely,

Eric Sorensen
Member of Congress
